[Why Upload Speed Faster Than Download](#)

All we did was care for each other But the night was warm We were bold and young All around the wind blows We would only hold on to let go [Chorus x2:] Blow a kiss, fire a gun We need someone to lean on Blow a kiss, fire a gun All we need is somebody to lean on What will we do when we get old? Will you be there by my side? Major lazer lean on mp3 free download full.. Will we walk down the same road?. Standing strong as the waves roll over When the nights are long Longing for you to come home All around the wind blows We would only hold on to let go [Chorus x2:] Blow a kiss, fire a gun We need someone to lean on Blow a kiss, fire a gun All we need is somebody to lean on All we need is somebody to lean on All we need is somebody to lean on Lean on, lean on, lean on, lean on.
